COMPANY BACKGROUND

Industrial lighting (Pvt) Ltd provides alternative, world class electrical and Electronics solutions to the African market. The growing use and development in Electrical and electronics, coupled with the shortage of electrical energy and rising costs, make it imperative that consumers switch to more efficient systems and equipment. Industrial Lighting (Pvt) Ltd was thus formed to provide appropriate Electrical solutions that save money and energy, reduce environmental pollution and improve people's lives. It provides customized solutions and equipment to industry that efficiently meet requirements in processes and applications.

THE ORGANISATION

The organization is led by a highly qualified and enthusiastic team that has a broad range of experience and aims to transform Electronics and Electrical applications in the region.

OUR VISION

We aim to be the preferred provider of innovative Electrical and Renewable Energy solutions in Africa.

OUR MISSION

Our mission is to provide, high quality Electrical and Renewable Energy solutions throughout Africa. This includes promoting mutually beneficial relationships with our suppliers and team members through applying international best practices.

OUR VALUES

OUR OBJECTIVES

A vertical stack of five icons on the left side of the objectives section. From top to bottom: a bar chart with an upward arrow, a target icon, a clock with "24/7" inside, a handshake icon, and a clock icon.

- To generate profit.
- To provide exceptional customer service and peace of mind in every transaction.
- To provide services to our local clients by providing them with professional consultancy 24/7.
- Build lifetime relationships with our customers and stake holders.
- To be a pacesetter in the electronic and lighting industry by exceeding customer expectations

STRATEGIC PARTNERSHIP

- We are also registered with **ZERA** as an authorized installer of off grid solar systems.
- An official Distributor and Installer of **Microtek** UPS and Inverters.
- Industrial Lighting (Pvt) Ltd is an authorized Installer of **LORENTZ** solar water pump systems.

WE ARE ALSO BRAND DISTRIBUTERS OF THE FOLLOWING:

LIGHTING BRANDS

- PHILLIPS
- OZRAM

RENEWABLES BRANDS

- MECER
- SYNEGY
- MICROTEK
- CANADIAN
- HUWAE
- NARADA
- PYLONTECH
- LORENZ
- VINZ DRIVERS

Mutambara Mission Hospital	Mutambara, Nedziwe	Mobile No. 0773026163 Mrs Mapanda	Installed 10Kw Solar System
Chipinge Town Council	281 Main street, Chipinge	Tel: 0773973370 Engineer Mutisi Email: chipingetowncouncil@gmail.com	Installed Solar Street Lights. Solar water pump systems
Sibloy farm	Bromely farm Marondera	Tel +236712836888 Mr. Elvis Chishanu Email: elvis.chishanu@gmail.com	Supply and installation of overhead power transmission line
Gokwe Town Council		TEL: 0772734965 Gokwetowncouncil@gmail.com	Supply and installation of solar street lights

TECHNICAL TEAM PROFILE

NAME	QUALIFICATIONS & EXPERIENCE
D. Mutambara	Class One Electrician, LT lines, Substations, Solar Systems
G. Nyamudo	Class One Electrician, LT lines, Substations, Solar Systems
Clibet Mushamiri	Diploma Electrician Engineering, Solar systems, Electric motors, Electrical wiring, installations and repairs
Tawanda Chinaka	Mechatronic Engineer, Electrical engineering, designs, Electronic repairs, CCTVs

OUR PRODUCT PORTFOLIO

Lighting

Lighting systems design and installation.

Upgrading of conventional lighting to modern lighting systems, more energy efficient lighting systems i.e., LED and energy saving lighting sources.

LED Flood Lights

LED Down Lights

LED TUBES AND BULBS

Domestic LED Light bulbs

Canopy Lights

LED Highbay lights

LED Sensor Lights

Domestic CFL Energy saver bulbs

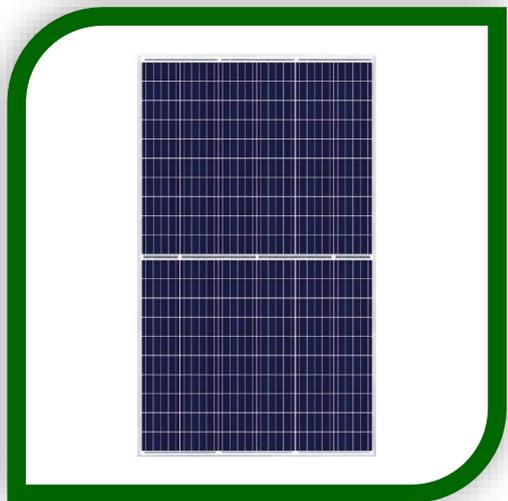

LED Sensor Lights

Renewable Energy Solutions

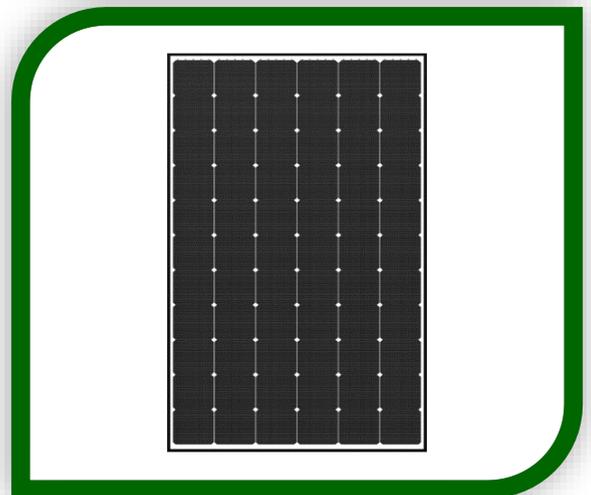

- Solar Systems Designs
- Solar Systems Installations
- Solar Water pumping systems
- Solar Street & Flood lighting
- Solar Lanterns and emergency lights
- Solar Water heating systems.

Supply and Distribution of solar equipment such as;

*Canadian Polycrystalline Solar Panels of different sizes
50w,100w, 270w,290w,330w 365w 410w*

*Canadian Monocrystalline Solar Panels of different sizes
50w,100w, 270w,290w,330w 365w 410w*

Other Solar Module brands as below

- Jinko Panels
- Astronergy
- CK

Hybrid and Off-Grid Inverters and batteries

Lynx Aexpert 3kva & 5kva Hybrid Inverters

Victron Power 3kw & 3.2kw Off-grid Inverters

Alpha Inverters of different capacities

Canadian Solar Hybrid Inverters 25kw-50kw

Huawei Solar Solution, 36kw-50kw 3P Inverter

Pylontech 2.4kwh & 3.6kw 24v Lithium ion Battery

Synerji Hybrid Inverter 3kva, 5kva with inbuilt MPPT

Synerji Hybrid Inverters 12kva Single Phase with inbuilt MPPT

Narada AGM 100 & 200ah batteries

Specialized Lighting

- UV germicidal
- Infra-Red heating
- Horticultural Lighting
- Livestock heating.

Electrical

Parts & Hardware

- Cables and wire
- Fittings and sockets
- Switches
- Timers
- Electrical tubing and components

Building Materials

- Roofing
- Painting
- Plumbing
- Building

Electrical Installation and maintenance

- Industrial electrical installations
- Industrial equipment repairs
- Domestic House wiring & electrification
- HV & MV overhead Power transmission line construction
- Substation construction
- Electrical equipment Installation and repair.

Projects

3kva Solar System

5Kva Solar System

10kva Solar System

Solar Street Lighting

Solar Flood Lighting
